

FEELS SO RIGHT

by BRIAN BILLIONAIRE

I came to do it all night
not gonna stop till the
morning light
oh no..can't stop..
once I start - it's on and
it's feels so right

RAP LYRIC POSTER

Yeah

and it feels so right

Brian Billionaire's gonna rock tonight..
gonna rock you all night..make you feel out of sight
like a rocket ship blasting off with all it's might
the power I possess, the gifts that I am blessed with
and yes I said it, so let it be witnessed,
by another fine lady that you're bringing to the table
two amazing females and me - keeps my skills stable
so I perform to please, am asked to please perform
and I keep going strong all night long and on and on
till the break of dawn, I am the master of my sexual domain
drive you insane, no drugs in my vein,
So ladies if you want to feel so good like never before
give me an encore cause I will implore
and use what I know to make you keep showing up at my front door
but you gotta call first that's for sure!
