

Never 2 Late

by BRIAN BILLIONAIRE

It's Never 2 Late 4 love
It's Never 2 Late
2 shed a tear for all the
wrongs you want
to right B 4 U die
or B 4 U you really
start 2 live your life

I wake up 2 sunshine,
I wake up and the rain drops
tapping on my window

I wake up

to the falling snow, but it all feels the same
So I think about the new day and

I get out of bed,

I think today will be a little bit better,
today will be a little better
