

# RIGHT NOW

by BRIAN BILLIONAIRE

Don't you wanna  
be with me  
Can't you see  
what you do to me  
When you look right thru me  
I just want you to see me

Yeah, I don't know what you're thinking  
I don't know what you're doing  
I don't know a lot of things ... don't know about where this could go  
But..I think I'd like to find out  
I think I'd like to try it  
I'd like to get to know you  
Let's you and me run away  
See where this goes ..ok?  
Live in the moment for the night and day  
We can be so serious or just play  
So come on take my hand..right now

Yeah, I'm gonna take your hand  
When it's safe, I'll the gloves off of my hands  
We'll cruise around the promised land  
You'll be my lady and I'll be your man  
Hello, Hey, I'm BRIAN BILLIONAIRE,  
This is the jam to rock for you  
and your fam-ily  
As far as I can  
see, I might be your one and only  
I hope you never get lonely  
But I hope that for me too  
Cause you seem really  
hot, so show me what you do  
It's takes us two to make it thru  
And this is exactly what I wanna do..
