

Show Me Love

by BRIAN BILLIONAIRE

You're not my enemy
We should stand strong
And we should love each other
when things go wrong

But... You wanna argue
You wanna fight
But I wanna make love to you
all day and all night

Just Show Me Love - Love

The first time I laid eyes on ya
Sparks flew – they could have caused a fire
And the conversation grew real fast
I wasn't sure if it was gonna last
So should I walk away or stick around for your number
If I don't get it that would be a bummer
I'd be thinking about you in the winter and in the summer
so baby come on and be my lover..and...
